One hundred sixty-fourth entry:

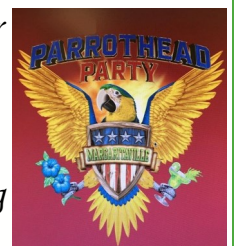

August 17th, 2022

While the boats were at dock and moored tightly, we had an incredible party in the Alpine regions, but alas... tryin' to reason with hurricane season brought it to a close before we could see the main man hisself. Luckily for many, we will be getting another chance. Not like we aren't busy enough! We still be counting doubloons from the Summers Chill to provide for our Veteran mates. Dinners and a tour on an old fire ship. Ah, a pirate's life for me. To those going back to plunder Alpine, I wish ye well. Represent the fleet with abundance, and we shall see ye back here in port. Until then, in the old tradition of the pirates, we are approaching time to vote on new leaders. Cast yer nomination and prepare to lead the way, this old salty dog shall be handing over the wheel. Time for new blood me hearties. Who has the heart to stand at the stern and navigate this lot? I dare ye....

Trying to Reason with Hurricane Season

~ Jimmy Buffett

Squalls out on the gulf stream, Big storms coming soon
I passed out in my hammock, God, I slept way past noon
Stood up and tried to focus, I hoped I wouldn't have to look far
I knew I could use a Bloody Mary, So I stumbled next door to the bar

And now I must confess, I could use some rest
I can't run at this pace very long, Yes, it's quite insane
I think it hurts my brain, But it cleans me out and then I can go on

There's something about this Sunday, It's a most peculiar gray
Strolling down the avenue, That's known as A1A
I was feeling tired, then I got inspired, And I knew that it wouldn't last long
So all alone I walked back home, sat on my beach, And then I made up this song

Well, the wind is blowin' harder now, Fifty knots of thereabouts
There's white caps on the ocean, And I'm watching for water spouts
It's time to close the shutters, It's time to go inside
In a week I'll be in gay Paris;, That's a mighty long airplane ride

Yes, It cleans me out and then I can go on
