One hundred sixty-first entry:

May 18, 2022

As I peer over the waters from the aft deck, it seems the sun has finally broken through. I feel warmth on me face and the sparkling waters tempt me to dive into the salty brine. Twas a fine showing to raise a few flacons and watch the running of the horses. And now we begin planning for the summer climes. Thar be a game of baseball in June, house concerts, summer concerts, a new event in Kentucky, the big concert, and of course Summer Chi.ill! If ye haven't made yer mark and plotted yer course, ye may already be left behind! Alas, we are missing a few lads and lassies tonight, but fear ye not. Ye be in great hands with me second mates. Raise a glass for me until we see each other again soon and let's get ready for summerzcool!

Summerzcool

You messed up, you read the paper; You accidentally watched the news
You inadvertently find yourself in the vicinity of the blues; Bust your ass to get the good life
You make a habit out of overtime; When the big report card comes
Your priorities are way out of line

You need to go to summerzcool; Get to the beach or at least in the pool
Time to go to summerzcool; Remember what is and what is not cool

Time out for bad behavior; Time off, you've been under the gun
High time somebody told you; It's time to let those puppies run
What's up with this recession?; I refuse to participate
The answer to your burning question; Is dancing on your tailgate

It's time to go to summerzcool; Remember what is and is not cool

Oh, summerzcool

There is a time and a place to act like a fool; At summerzcool
Get your ass to a beach or at least in a pool
At summerzcool; Know when to keep and to break all the rules

Beer 101

Sex 102

Tune it in, turn it out
(That's what I'm talking about)

It's time to go to summerzcool; The courses are easy and there are no rules
At summerzcool; Remember what is and is not cool
You need to stay in summerzcool; This is the time and the place to act like a fool
Oh, summerzcool; Just know when to keep and to break all the rules

Chicago Alzheimer's Walk 2022!!!!!!

The Walk Season for the fight against Alzheimer's is beginning.

Our walk will be held on **Sunday October 2, 2022**. (Yes, I will be in town but looking forward to my flight to Key West and MOTM later that month. (BTW, MOTM registration is now up and running smoothly.) The Walk location again will be at Busse Woods in Elk Grove Village. Maybe we will see Elk along our walk. Who knew Elk Grove had real Elk running wild? Next you will tell me Blue Island is an Island.

This year I lost a friend who had early onset Alzheimer's and passed away at the young age of 62. In 2020, Covid-19 contributed to a 17% increase in Alzheimer's and dementia deaths. This is a terrible disease, and we need to find a cure.

This link brings Parrot Heads directly to our page. Here you go: https://act.alz.org/site/TR?fr_id=15551&pg=team&team_id=728143

Nationally, we are currently in the number 2 spot in leading the fight and raising funds and awareness for Alzheimer's Walks for PHIP.

You can go to alz.org/parrotheads to find the ranking of your own club and club members, to register, and to get helpful hints on raising awareness and fund for your team.

At this time, we have 10 members on our team with Cheryl Kuropus leading the way with \$530.00. Great job!!!! She did a great job and asked friends to donate to her walk as a birthday present. I am going to borrow that idea for my birthday in June. There are other ideas to raise fund on the web site of Alzheimer's Association. Many of us, including me, have signed up and have not raised any money yet. Go to your page and donate to your walk; if you don't believe in it, why should anyone else?

If anyone needs help finding our page or registration, you can contact me at Rnooner@aol.com. I am happy to do what I can to support your walk.
